RESPONSE TO OFFICE ACTION DATED SEPTEMBER 30, 2003

Dear Sir:

Claims 1-30 and 35-39 are in the case. Applicants acknowledge with thanks the telephone conference with Examiner Elahee on Wednesday, December 10, 2003. In response to that telephone conference, Applicants present the following remarks demonstrating that the case is in condition for allowance.

In a previous Office Action dated April 11, 2003, claims 1-30 and 35-39 were provisionally rejected under the doctrine of obviousness-type double patenting. In a Response filed July 10, 2003, Applicants demonstrated that the rejection was deficient for two reasons. First, the Office Action did not establish the necessary background for determining obviousness required by an obviousness-type double patenting rejection. Second, the Office Action did not articulate reasons supporting the rejection. Furthermore, the Office Action dated April 11, 2003 rejected claims 1-30 and 35-39 under 35 U.S.C. §102 as anticipated by Bartholomew or under 35 U.S.C. § 103 as
